Dear Ms. Shedd:

On behalf of our five million members across the country, the National Rifle Association Political Victory Fund (NRA-PVF) is pleased to inform you of your “A” rating for the August 4<sup>th</sup> Republican Primary Election in the 1<sup>st</sup> Congressional District of Arizona. This rating is reflective of your experience as an NRA-certified youth shotgun instructor and your advocacy for firearms safety, self-defense, and your promotion of youth shooting sports.

We share a common goal of safeguarding the Second Amendment rights of law-abiding Americans who own firearms for hunting, personal protection, collecting or any other lawful purpose. We also share a commitment to support law enforcement to decrease crime and prosecute those who commit crimes with firearms.

NRA members and law-abiding gunowners applaud your support for Right-to-Carry reciprocity legislation, which would ensure that the nearly 20 million law-abiding Americans who can carry a concealed firearm in their home state are able to do so in any other state that does not prohibit it.

Finally, we greatly appreciate your opposition to attempts to ban lawfully-owned firearms, magazines and ammunition, and for standing strong against the gun control agenda promoted by Nancy Pelosi, Joe Biden and former New York City Mayor Michael Bloomberg.

Congratulations on your “A” rating, and thank you for supporting issues critical to our fundamental, individual Right to Keep and Bear Arms.

Sincerely,

Brian Calabrese  
Managing Director, Federal Affairs
